Update - July 2011

Hello Everyone,

I trust that Summer is treating you well. In this July Update on Sapphire Beach, I'd like to notify you of recent activity at the development.

The developer has now released the 5 'on hold' units to the market for sale, bringing the total number of units available to 20.

A special offer for all purchasers has been recently introduced. "Walkers World," a local décor company is offering a 15% discount on their furniture packages with FREE Sapphire Beach Interior design to client specification.

On the holiday rentals front, the units are fully booked for our upcoming Carnival period (mid July – mid August). Current rates are US\$295/night for a 2-bed and US\$395/night for a 3-bed.

This is all for now - I will be sure to keep all of you posted on future updates.
