

SAPPHIRE BEACH | condominiums

Update – Dec. 2011

Happy Holidays!

We are all happy to inform you that since our last update, additional units have sold at Sapphire Beach. With just 16 remaining, as we head into the winter season, we anticipate more sales in the new year.

Sapphire continues to be extremely popular with holiday rentals, so much that units are booked out for this Christmas and New Year period. Current owners are benefiting from the high occupancy rate of their units and steady returns – approx 5% to date! If you are interested in renting, please remember to book your units well in advance!

All the best to you and your family for the Christmas period and we wish you all a Prosperous and Healthy New Year!
